

Halifax Assistance Fund (HAF)

Helping Halifax Residents Who are Most Affected by Poverty Since 1866

Funding Application

HAF endeavours to support the tireless efforts of those who work daily to help the members of our community who are most affected by poverty. HAF reviews all proposals, but often we must focus our limited resources on the following:

- 1. Youth who are experiencing or are at-risk of homelessness.** Without intervention and support, many will face years in poverty;
- 2. Single adults struggling with pervasive issues** relating to mental health, addiction, violence, criminal justice, unemployment and/or physical illness;
- 3. Single mothers with young children** who also may fall into the previous two categories;
- 4. Innovative programs** designed to meet pervasive problems in promising new ways; and/or
- 5. Emergency funds** to help meet the pressing unfunded basic needs of individual clients (including nutrition, heating, shelter, etc.).

HAF does not tend to fund salary or building costs. For more information about HAF funding, visit our website: www.halifaxassistancefund.org
